1. PROJECT DETAILS			
Student Name	OOI JIAN XIN	**Student ID**	25WMR09764
Programme (*Circled The Option*)	**RST / REI / RSD / RIS / RSW / RDS / RIT**	**Cohort**	JUN25EY2
Supervisor Name	DR NAIM	**Moderator Name**	Ms Carolyn, Ting Hie Choon
Project Title / Individual Title	VulnScan: Development of an Intelligent Web Application Vulnerability Assessment System with Risk Scoring and Security Recommendation Engine		
Category	☑ **Development** ☐ **Research** *Client Name (if the project is a collaboration with the industry) :*		

2. PROPOSAL MODERATOR ASSESSMENT

CLO 1 : PROPOSE A PROJECT/RESEARCH THAT INCLUDES CONTRIBUTION IN TERMS OF COMMERCIAL VALUE AND/OR SOCIETAL IMPACTS

ITEM	DESCRIPTOR	MARK (1 – 7)
Problem and Scope Formulation	The problem identified in this project : • *reflects a real-world problem or is supported by literature* • *is unambiguous and has a clearly defined scope that is suitable for FYP* • *can be associated with one or more of the United Nations' Sustainable Development Goals (SDG)* • *has the complexity and scale which are appropriate for FYP*	
Feasibility and Practicality	The proposed solution : • *can be developed within the FYP time frame* • *consists of modules which can be divided between the team members (for group work)* • *is relevant to the identified problem* • *is suitable to be implemented effectively in real-world scenarios*	
Creativity and Innovation	The project : • *includes new or unique features which distinguish the project from other similar solutions* • *offers a fresh perspective or approach to solving the identified problem* • *leveraging IT technologies and the latest trends in software development*	
Contribution and Reach	The proposed solution : • will *be easily adopted by the targeted users* • *will contribute towards the betterment of the community or the targeted users* • *has high potential for commercialisation or to be presented in technology-based showcases*	

Note :
7 – very satisfied *6 – satisfied* *5 – slightly satisfied* *4 – neutral*
3 – slightly dissatisfied *2 – dissatisfied* *1 – very dissatisfied*
